

Message from our President, Marlene

Dear Alumnae

I hope you have had an enjoyable (perhaps rainy) summer.

I look forward to seeing you at our main event of the year, our Annual Dinner, which will be held in the elegant Morrison Room at the Caledonian Club with the Library for reception drinks.

I am delighted that Sir Robin Murray, FRS has agreed to be Guest Speaker despite a busy schedule. Sir Robin is an alumnus of Glasgow University and is currently Professor at the Institute of Psychiatry at King's College, London. His research centres on finding the causes and improving the treatment of psychosis, challenging the prevailing view, and demonstrating the neurodevelopmental aspect of the disease. He has also researched the effects of cannabis on the brain and has presented numerous articles and programmes on radio and television.

Sir Robin is engaging and humorous having given a memorable talk at a previous Glasgow University dinner. His wife Dr Marta di Forti will accompany him.

Other news

Eva Ramage, our oldest member, celebrated her 98th birthday recently and I sent greetings and congratulations from the club. She is delighted to be remembered and thought about. She welcomes our newsletters.

A main focus of the committee is to spread the news of GUWC as the oldest Alumni club and reach out to new members. We agreed to trial informal coffee/tea get togethers in several areas and the response has been encouraging. Our membership secretary has reached out through LinkedIn and has had considerable success with potential new members attending the last informal dinner held on 17th July. In addition, small groups have met up for coffee and more of these meet-ups are planned. Well done Marjorie!

Also I have organised a tour of the Royal Opera House on 17th October. See 'Future Events' for further details.

I am looking forward to seeing many of you at these events.

Warm greetings , Marlene.
