Part 1 – Important Information:

If you wish to take your re-sit examinations at an overseas centre you must read the information below carefully and then provide your personal details on Part 2 of this form.

- This service is available during the re-sit examination period only to students whose ordinary place of residence is outside the UK.
- All arrangements to sit examination overseas must be approved by the relevant Head of School.
- All examinations must follow the same timetable and be conducted under the same examination conditions as those taken at the University of Glasgow.

Examination Arrangements:

The normal venue for the re-sit examination will be British Council Centre in your country of residence. If no British Council Centre exists the Examinations Team will attempt to arrange for the re-sit examination to be hosted at an alternative approved examination venue, normally a partner institution of the University of Glasgow, in the country of residence. If it is not possible to find a suitable venue in your country of residence you will either have to travel to the nearest British Council/alternative approved venue or return to the University of Glasgow to undertake the examination.

The arrangement for you to sit examinations overseas is subject to the approval of your Head of School and to a suitable venue being available to host the examinations according to the University of Glasgow’s regulations and guidelines. If one or both of these conditions are not met, you will be required to sit your examinations at the University of Glasgow.

In the event that your examination(s) can be successfully arranged, the University may pass your contact details to the host institution, in order that they may contact you directly in advance of your exam(s). This will only be done upon conclusion of the arrangements, and you will be informed if this procedure is followed. By submitting this form, you give permission for your contact details to be shared in this manner with the host institution.

We will confirm the final arrangements for your examination by email. It is therefore important that you provide a valid email address and check your email regularly until the date of your examination.

Costs:

The University of Glasgow charges an administration fee of £80.00 per examination, which you will be required to pay for prior to the August Examination Diet. Upon completion of this application form, you will be notified by the Overseas Exam Coordinator how to pay for this service. You will be liable for the cost of return postage of your examination materials. In addition, you must pay any local fees as determined by the British Council Office/alternative approved examination venue. Students must make arrangements to pay any local fees directly with the British Council Office/alternative approved examination venue. These fees must normally be paid before you sit the examination.

THIS APPLICATION FORM MUST BE COMPLETED AND RETURNED TO THE EXAMS TEAM BY EMAIL TO registry-overseas-exams@gla.ac.uk BY June 22 2018. LATE APPLICATIONS CANNOT BE ACCEPTED
### Part 2 – Please Complete All Sections:

1. **Student Number:**

2. **Family Name:**

3. **First Name:**

4. **University Email:**

5. **Home Address:**
