

1. - Contact Student Enterprise at the Careers Service.

- Discuss your business idea and the supporting evidence required to take your idea forward
- Identify if the Tier 1 Graduate Entrepreneur scheme is right for you
- Receive ongoing support with the development of your business and financial plans
- It is best to contact Student Enterprise at least 4 months before your visa expiry date. Late applications will be considered on a case by case basis.

2. - See ISS for visa advice, information and guidance.

- Find out how much money you need to hold for maintenance and for how long
- Visa application costs
- How to complete the application form and the documents you will need to prepare
- Discuss how and when to apply for the visa (either inside or outside the UK)

3. - Develop your business plan with Student Enterprise.

- Prepare for the panel meeting where you will present your business idea and be assessed for endorsement by our external advisors
- If successful, you will be selected to receive an endorsement letter to use in a Tier 1 Graduate Entrepreneur visa application.

4. - Successful endorsement? See ISS for a visa application check.

- Make an ISS Adviser appointment so we can check over your visa application form and documents before these are submitted and offer appropriate immigration advice.
