

NOTES ON PAGINATION

- *The Phonetic Teacher* (ft) was published from May 1887 to December 1888 as a Supplement to *L'Instituteur Sténographe*. Consequently, each page in the ft between these dates bears two numbers. The first refers to the page number in *L'Instituteur Sténographe*, the second to the page number in the ft. It is indicated in this Index as, for example, 252/43. The single exception is the August-September 1888 issue where only ft pagination is given. Up to December 1888 both page numbers will be quoted. From January 1889 onwards, when the ft was published independently of *L'Instituteur Sténographe*, a separate ft page-numbering system is used.
- 1890: two page 70s, one at the end of juin 1890, the other at the beginning of juillet-août 1890.
