POSTGRADUATE OPEN DAY
16 November 2017
10am-4pm

WORLD CHANGERS WELCOME
I am delighted that you have chosen to attend our Postgraduate Open Day. I hope it will show you what a fantastic place this University is, and that you will understand why we were recently named Scottish University of the Year by The Times and The Sunday Times Good University Guide 2018. We welcome students from all over the world which creates a lively community, offering one of the best student experiences in the country, as recognised by the National Student Survey.

Postgraduate Open Day will give you a taste of what puts Glasgow in the world’s top 100 universities. It’s an invaluable opportunity to find out more about your academic areas of interest, meet staff and current students, and gather information and advice on important topics such as admissions, finance and accommodation.

Make the most of the day. Ask questions. Take in the vibrant atmosphere of our unique and beautiful campus, explore the West End of Glasgow and experience our exciting city! What you see, hear and absorb today will, I hope, help you select Glasgow as your University of choice. May I wish you well with your forthcoming postgraduate studies and every success for the future.

Best wishes

Professor Sir Anton Muscatelli
Principal and Vice Chancellor
Glasgow is the UK’s fourth largest city and has been voted one of the friendliest cities in the world. Combined with its wealth of cultural attractions, impressive architecture, fantastic shopping and a year-round programme of world-class events it is easy to understand why the city is now firmly established as one of the world’s top student destinations. Whatever your tastes, Glasgow has so much to offer. See peoplemakeglasgow.com for further information.
GENERAL INFORMATION

CHECK OUT SOME OF OUR FANTASTIC STUDENT FACILITIES

Accommodation: Find out about Postgraduate Accommodation from Accommodation Services staff in the Fraser Building, Level 1 (E2). They’ll be happy to direct you to accommodation open for viewing or arrange transport, if you prefer.
glasgow.ac.uk/accommodation

Library: Look round our fabulous library anytime during the day (D11).
glasgow.ac.uk/library

Sport: Drop in to see our fantastic on-campus sports facilities in the Stevenson Building (E6).
glasgow.ac.uk/sport

The Gilchrist Postgraduate Club (A26): Have a look around our Gilchrist Postgraduate Club - exclusively available to postgraduate students for studying and socialising.
gilchristpgclub.org

If you have time, take a look around our visitor attractions when you are here or browse the University shop:

- Hunterian Museum, Gilbert Scott Building (A15)
- Hunterian Art Gallery (D12)
- University Shop, Gilbert Scott Building (A11)
- Mackintosh House (D13)

Directions and Help
Our friendly Student Ambassadors will be happy to answer with any questions you may have. Look out for them in blue hoodies/vests.

Refreshments
Sandwiches, snacks and drinks will be on sale in a range of areas throughout the day (see map ●) but make you sure you join us for a buffet lunch in the Glasgow University Union Reading Room area (E8).

There are also many restaurants, food outlets and shops on Byres Road and nearby Ashton Lane.

Need assistance from the Disability Service?
Speak to Disability Service staff in Glasgow University Union (E8) or contact the Disability Service directly (E12):
Tel: +44 (0)141 330 5497
Email: disability@glasgow.ac.uk
glasgow.ac.uk/disability

Safety on Campus
Accidents and Emergencies
Our Central Services Security Office (A21) is located at the University’s main gates on University Avenue and should be contacted in case of an emergency:
Tel: + 44 (0)141 330 4444

EXCITING CAMPUS DEVELOPMENTS
- CHECK THIS OUT!

We are revolutionising our main campus here at Gilmorehill so that you will benefit from even better teaching and research facilities. Fantastic news for all new postgraduate students.

Drop in to the University Welcome Point (A22) to see the plans for our fabulous new facilities and discover what the University will look like in the not too distant future. We can hardly wait!

Download our Postgraduate Open Day app to plan your visit

Browse the full schedule of events, create your own to-do list for the day and find your way with maps in our app. Search: ‘University of Glasgow events’ in the app store or visit: guidebook.com/g/pgod2017

COLLEGE OF ARTS

10.45am-12 noon
Special Collections Tour
Meeting Point: 10.45am at the Arts Stands in GUU Dining Rooms, Level 1 (E8)

Show and Tell Visit to Special Collections in the Library. Home to thousands of early books and manuscripts. This is a great opportunity for anyone interested in archiving, literature, languages or history to see these rare and valuable items.
glasgow.ac.uk/specialcollections

11-11.30am
Tour of the Centre for Textile Conservation
Directions: Enter via Anderson College, 56 Dumbarton Road (C1) and proceed through and up to Level 3 of the Robertson Building (C2)

Students interested in the MPhil in Textile Conservation can take a 30 minute guided tour of the Centre for Textile Conservation. You will be able to see the facilities used by our students and view the current year’s cohort taking a class. The programme convenor, Karen Thompson, will take the tour, allowing an ideal opportunity to ask any questions about the programme.

1.45-3pm
Kelvin Hall – The Hunterian’s Collection Study Space
Meeting Point: 1.45pm at the Arts Stands in GUU Dining Rooms, Level 1 (E8)

This historic and much loved venue has been transformed into an exciting new centre of cultural excellence providing access to collections, temporary displays, teaching and research, alongside a state-of-the-art Glasgow Club health and fitness centre. A range of postgraduate courses are based in the building with access to the 1.5 million artefacts in The Hunterian’s encyclopaedic collection. This session offers “behind the scenes” access to facilities with a hands-on session in The Hunterian Collection Study Centre.

3-4.30pm
School of Humanities Information Session
Gannochy Room, Wolfson Medical School Building (C8)

Join this Humanities-specific session to meet staff and get advice about scholarships for taught PG courses and PhDs (Archaeology, Celtic & Gaelic, Classics, History, Information Studies, Philosophy). Book your place at: humanitiespgevent.eventbrite.co.uk

COLLEGE OF MEDICAL, VETERINARY AND LIFE SCIENCES

2-4pm
Institute of Cardiovascular and Medical Sciences, BHF Glasgow Cardiovascular Research Centre
Meeting Point: 2pm ICMS Stand in GUU Dining Rooms, Level 1 (E8)

This is an opportunity to tour active research labs and meet researchers who host laboratory-based dissertation projects which would be especially relevant for students considering taking a laboratory PhD after Masters studies.

To guarantee your place contact Clare Martin: Clare.Martin@glasgow.ac.uk or sign up on the day at the ICMS Stand.

1.45-3pm
Institute of Cardiovascular and Medical Sciences – Sport and Exercise Science and Medicine: West Medical Building Labs
Meeting Point: 1.45pm ICMS Stand in GUU Dining Rooms, Level 1 (E8)

On this tour, you will get a hands-on visit to the labs and equipment used for exercise, metabolic and body composition testing that students will encounter on the MSc Sport and Exercise Science and Medicine programme.

To guarantee your place contact Clare Martin: Clare.Martin@glasgow.ac.uk or sign up on the day at the ICMS Stand

1.45-3pm
Institute of Neuroscience and Psychology & School of Psychology Tour, 58 Hillhead Street
Meeting Point: 1.45pm INP Stand, GUU Dining Rooms, Level 1 (E8)

To sign up for the tour, participants should go to the Institute of Neuroscience and Psychology Stand on the event day.

Please note: places are limited to 20 and will be available on a first come, first-served basis.

The tour will include a visit of several brain imaging and psychology labs. Participants will see the MRI & MEG scanners, a TMS lab, as well as body and face capture systems. Participants will have the opportunity to interact with members of each lab.

This tour is run jointly with the College of Science and Engineering
1.45-3pm  
Institute of Infection, Immunity and Inflammation Tour, Sir Graham Davies Building  
Meeting Point: 1.45pm at IIII Stand in GUU Dining Rooms, Level 1, (E8)  
Please note: places are limited to 2 x 10 and will be available on a first come, first-served basis. To sign up for the tour, please go to the Stand in GUU, Dining Rooms, (E8)  
The tour will be based in the Sir Graham Davies Building where Parasitology, Bacteriology and Immunology researchers are based. Participants will have a tour of the labs where MSc students undertake projects and be introduced to specialist facilities in the Institute. Participants will have the opportunity to interact with members of staff who run these facilities.

1.45-2.30pm  
Institute of Biodiversity, Animal Health and Comparative Medicine, Animal Welfare Science Tour, Graham Kerr Building  
Meeting Point: 1.45pm at IBAHCM Stand in GUU Dining Rooms, Level 1 (E8)  
The tour will visit our animal rooms (birds and fish). It is mainly aimed at potential students of the MSc Animal Welfare Science, Ethics and Law, but also others that might be interested to use the facilities for their research. It will give an insight into the challenges presented when looking after research animals and how we overcome these challenges. To guarantee your place contact Clare Martin: Clare Martin@glasgow.ac.uk or sign up on the day at the IBAHCM Stand

COLLEGE OF SCIENCE AND ENGINEERING

1.45-3pm  
Institute of Neuroscience and Psychology & School of Psychology Tour  
See Medical, Veterinary and Life Sciences section for details.

1.45-3pm  
School of Physics & Astronomy Tour  
Meeting Point: 1.45pm at P&A Stand in GUU Dining Rooms, Level 1 (E8)  
Tour of the Kelvin Building led by students, followed by a Research Fair (short presentations from each research group, followed by a mini-poster session to present PhD research topics).
COLLEGE OF SOCIAL SCIENCES

1.15-1.45pm
Adam Smith Business School & MBA programme
Sir Charles Wilson Building, Lecture Theatre 201 (E15)

This presentation and Q&A session will provide you with an overview of the Adam Smith Business School, highlighting the available postgraduate opportunities. The session will include our MBA programme which has been successfully running for over 40 years. Students interested in studying a degree in the fields of Accounting & Finance, Economics and/or Management are most welcome.

11.30am-12 noon
Museum Education, MSc
St Andrew’s Building, Lecture Theatre 213 (E14)

Find out about this programme which will provide you with exciting opportunities to develop critical knowledge and skills associated with learning in and through museums and galleries. Building on your academic, professional and personal experiences and qualifications, it will deepen your social, cultural, historical and philosophical understanding of museum education.

12 noon-1pm
Education (Primary/Secondary), PGDE
St Andrew’s Building, Lecture Theatre 213 (E14)

Come and speak to our programme leader to find out about everything you always wanted to know about our Postgraduate Diploma in Education (PDGE). What are the entry requirements? What subjects can I qualify in? How many classes are there in a week? When will I be on placement? Have all of these types of questions answered during this informal information session.

1.30-2pm
Educational Studies, MEd/MSc:
St Andrew’s Building, Lecture Theatre 213 (E14)

This popular programme is designed to deepen your understanding of education so that you can critically analyse education practice, provisions and policy in your own current or future professional context. It supports you in interrogating research literature and in your own areas of study.

2-2.30pm
TESOL (Teaching of English to Speakers to Other Languages), MEd/MSc
St Andrew’s Building, Lecture Theatre 213 (E14)

Do you fancy teaching English to non-native speakers? The MSc TESOL provides you with the necessary skills and knowledge to begin your career. If you are already a professional in this field and are looking to advance your qualifications, you should consider the MEd TESOL.

12.15-12.45pm
School of Interdisciplinary Studies
Gilmorehill Centre, Seminar Room 217A (E9)

Join our talk and Q&A session to find out all about our postgraduate study opportunities available at the University’s Dumfries Campus.

1-1.30pm
Children’s Literature and Literacies, MEd
St Andrew’s Building, Lecture Theatre 213 (E14)

This programme takes an in-depth look at children’s literature in relation to literacy development. You will develop a specialism which is highly valued in professions such as education, publishing, library services and children’s media.
