We have developed a series of mentoring, outreach, and public engagement activities that are open to all students and staff.

**Mentoring lunch time talks**
- Prof. Dorothy Bishop, University of Oxford
- Prof. Martha Merrow, Ludwig Maximilians University of Munich
- Prof Myrna Weissman, Columbia University, NY

**Internships**
- Wellcome Trust Biomedical Vacation Scholarship
- Medical Research Scotland Vacation Scholarships
- British Psychological Society (BPS) Undergraduate Research Assistant Scheme

**Outreach**
- Aspirational Advice campaign – Student-led initiative for students to share their challenges, achievements, failure, resilience and to foster a healthy and supportive community including normalising failure.
- Currently being rolled out to other schools and HEIs in Scotland. Spearheaded by SAT Chair, Dr. Rachael Jack through her membership with the Royal Society of Edinburgh, Young Academy of Scotland.
- Kelvinside Academy research visit – School visit to showcase research careers.
- Summer Program for Undergraduate Research (SPUR) – Society for Personality and Social Psychology. An intensive 8-week summer internship in the methods of social and personality psychology for undergraduates from underrepresented ethnic/racial groups.
- Glow (Scottish Schools National Intranet) – Platform for collaborative, innovative and social learning, co-creation.
- Catalyst Magazine – Science magazine for students aged 14-19 years.

**Public engagement events**
- Explorathon
- Royal Society Summer Science Exhibition
- Our Dynamic Earth
- Glasgow Science Festival
