School of Veterinary Medicine

The School was awarded a Bronze Athena SWAN award in October 2015 and has been working on different activities and initiatives to support our goal to advance equality of opportunity for all.

- Membership on the SAT working groups recognised in staff appraisals
- Athena SWAN agenda item on major school committees
- Academic and administrative Athena SWAN leads
- Working groups now set up leading on key areas
- Intranet sharepoint set up for sharing activities
- Roll out of Unconscious Bias training across the School
- Student equality champions identified to engage further with the student body
- Diversity through Education Award for REACH Programme
- 100% of staff reported being fairly treated based on gender in Recruitment and Training
- 96% staff reported having access to relevant training
- Increase in female professors from 10% (2013-14) to 40% (2016-17)
