Practical Information

The Call is open to **any** artist looking for an opportunity to showcase their work with real cash paid for the work chosen. This will ideally consist of two complimentary pieces, one for each of the covers, or one piece that can be divided into two. Artists are encouraged in the use of all 2D media, as long as we are able to transfer this work onto our online and print versions.

The deadline for submissions is 21st May 2018.

Theme

The piece/pieces should consider this year's theme which is (Re)creation, which should be used as the starting point for any piece. Due to the nature of the journal we are looking for thoughtful pieces which reflect the academic tone of the journal.
