SAAS Funding for Access

Am I eligible to apply for help with fees?
If you earn £25,000 or less per annum and live in Scotland you may be eligible for the Scottish Awards Agency for Scotland (SAAS) Part-Time Fee Grant (PTFG) which will pay £428 leaving a balance of £102 which you will have to pay yourself. Please see full details on using the SAAS Part-time Fee Grant at http://www.saas.gov.uk/part_time/ug/.

If you plan to use SAAS funding you have two choices.

1) You can apply for the Part time Fee Grant (PTFG) via SAAS (Student Awards Agency for Scotland) before enrolling. To do so:
   a) Go to the SAAS website at http://www.saas.gov.uk/part_time/ug/funding_available.htm. Check that you are eligible for funding. If you are, print off and complete the *Part-time Fee Grant application form.
   b) Bring the whole form to the Short Courses’ admin office (located at room N402, St Andrew’s Building, 11 Eldon Street) between 10am-1pm and 2-4pm Mon-Fri. We will stamp and authorise the form for you.
   c) Send the form back to SAAS with evidence of income
   d) If your application to SAAS is successful, they will send you an award letter within 21 days of receiving your application.
   e) Bring the award letter to the admin office. Please note: you will be required at this stage to pay the additional balance of £102 in order for us to enrol you on your chosen courses.

2) You can pay the full amount initially and then follow the same process above to be refunded the amount SAAS will pay (£428). The Admin office can advise on when refunds are available.

Please note the following:

- *Please ensure the form you have downloaded is for Academic year 2019-2020 which becomes available in April 2019
- If you apply for SAAS at an early stage it is likely that places will still be available, but please note that the classes fill up on a first come basis, therefore there are no guarantees.
- If you wish more information on funding and using SAAS you can email admin colleagues shortcourses@glasgow.ac.uk or call 0141 330 1835
